

FOR IMMEDIATE RELEASE: October 12, 2009

Operation Transformation, along with churches and organizations, is sponsoring a morning of Community Service Projects on Saturday, October 24th; from 8:30 a.m. until noon. It is also “Make a Difference Day”, the largest day of volunteerism in the nation.

Operation Transformation is looking for churches, groups and individual volunteers who will give a morning to assist the City of Port Huron spruce up and “fight blight” by doing general clean-up in the Harrison School district, public parks, and beyond. This will consist of picking up trash, raking leaves, and hauling large items to the curb for pick-up. We will also be helping needy senior citizens with general yard work and other community projects. Churches are also finding their own project(s) for their parishioners to do to “Make a Difference”.

Everyone is asked to meet at the MOC (City building), in Port Huron, at 8:30 a.m. for assignments and instructions on the 24th. Coffee and donuts will be provided by the Salvation Army canteen. Wear work clothes and gloves; bring rakes and leaf blowers. Call the OT office at 810-966-8660 if you are coming, so plans can be made.

Operation Transformation is a local non-profit organization, whose vision is to see “Churches Cooperating for a Changed Community”. Its purpose is to “foster a united, life-giving church in the Greater Blue Water Area that works together with civic and service organizations to develop ways to meet the many needs of the citizens of our community.”
